おおげだぜ!

7巻で予想した通り8巻でもめいめい書き進め  
 をしてあげました。ただ今回の巻もやはりランゲル海軍の<sup>CONTINUED</sup>で、ほとんどの  
 方は「ええー。」と驚かれたと思います。なにしろキャラクターを1人倒してしま  
 った。エピソードをとってつけたソー、うまくいかぬかおぼろーという部分を、何  
 とか少しでも自分の経験からいって方向性も、そこに決したために、こうなりました。  
 また、今巻もこの使われていてつらいため、やはりかなり変わる所があると  
 思っています。楽しんで読んで下さいね。(それにしても、ここまで破綻に陥る  
 ものと、その内容に違う点も、て他には、よお、きよー。)

BUT...

### Bonus!

December 1993: Hakuhinkan Toy Park in Gifu began performing a 'Hime-chan no Ribbon' musical. At first, no matter what, I couldn't imagine what kind of play it would be, but when I watched it, I thought 'this is really good!' The tempo was good, and the transformation scenes were fun. It was bright and energetic, and I was moved - Irie Kanako, who played Hime-chan was just like her, and the moving Poketto was so cute! The music was also very good, it matched the movements of the actors. The teamwork was great, and I was happy because I felt that they were having fun while acting. It made me feel how lucky I was to finish the year with such a nice memory. To the various performers and staff, I really thank you!

I love  
to travel!

I like going on exciting trips with my friends, but I also like traveling by myself. Traveling alone means you leave when you want. Undoubtedly there are many famous places and things to see in the area, however, you can wander where your feet and feelings take you, without any purpose. You can stop and talk to the locals, and are able to just stare off into space when you find someplace nice. I greatly enjoy these types of trips. Since I have been doing my usual, I have been very busy and haven't had the time to go on my trips, which is a shame. I have done lots of traveling to the North, in particular Hokkaido and Iwate. So for my next trip I'd like to try going South. (Though that might just be because my heating is currently broken. It's so cold.)

HAVE FOUND  
THEM OUT.

IN SOME  
WAYS YOU  
HELPED.

WE WERE  
ABLE TO  
FIND OUT  
THE WORDS  
OF THAT  
HOUSE'S  
SPELL.

IT'S THANKS  
TO YOU  
HONOURA

AND ALSO...

A WHILE  
NOW

SIGH

How things  
you can't  
find things  
you can't  
find things

I THOUGHT  
THERE MIGHT  
BE SOME  
SORT OF  
GATE.

SO I CAME  
LOOKING  
FOR IT.

WAS  
TALKING  
ABOUT A  
HOUSE THAT  
LOOKED  
EXACTLY  
THE SAME  
AS THE  
SECRET  
HOUSE.

RECENTLY,  
SOMEONE MY  
GRANDFATHER  
KNEW

I  
WANTED  
TO

OPEN  
THAT ROOM  
MYSELF

BEFORE SOME  
STRANGERS  
CAME IN AND  
INVESTIGATE  
IT.

I'M SO  
HAPPY...

SO THAT'S  
NOW IT  
WAS...

OPENING  
UP TO ME.

I UNDER-  
STAND...

DACH! H...

IT MIGHT  
JUST BE LIKE  
"ALL BADA  
AND THE  
40 THINGS."

IT MIGHT  
BE HIDING  
LOTS OF  
AMAZING  
TREASURES!

WELL...

WHAT  
SHOULD  
WE DO?  
I'M NOT  
SURE WHAT  
I SHOULD  
DO FIRST!

WE COULD  
BECOME  
REALLY RICH  
ALL OF A  
SUDDEN!

THE SPELL  
THAT THE  
ANCESTOR  
TOLD THEM...

RING  
RING

I'M
